Pertaining to your job bank profile, please note, as our firm continues to expand we are looking for an attorney and a CPA to partner with, as associates, not as employer/employee.

We could provide the following:

Office space (in all three (3) of our locations  
Secretary and administrative help  
Computer/email and web site access.  
Phone usage and answering

Also to help them expand their practice (and ours as well), we could offer them time on our weekly radio program.

If this is something that could help, please let us know.

Sincerely yours,

Stanley H. Molotsky
