## The Ethics of the Fathers (Pirkei Avot)

Found in the Talmud, *The Ethics of the Fathers* is the famous collection of aphorisms spoken by the early Rabbis. From at least 10th century C.E., it has been customary to study one chapter each week between Passover and Shavuot.

*"Do not say 'I will study when I have the time,' for perhaps you will never have time." (2:5)*

*"The world stands on three things: On Torah, on prayer, and on kindness to others." (1:2)*
