The Ethics of the Fathers (Pirkei Avot)

Found in the Talmud, *The Ethics of the Fathers* is the famous collection of aphorisms spoken by the early Rabbis. From at least 10th century C.E., it has been customary to study one chapter each week between Passover and Shavuot.

"Do not say 'I will study when I have the time,' for perhaps you will never have time." (2:5)

"The world stands on three things: On Torah, on prayer, and on kindness to others." (1:2)
