STUDENT PHOTOGRAPH CONSENT FORM 2010-2011

Throughout the year we will be taking photos that record the events, memories and achievements of your child with his or her classmates. These pictures are primarily meant to share the joy of your child's experiences at M'kor Shalom and to document their endeavors through out the year.

These photos are sometimes used in the classroom for the benefit of the students, in M'kor Shalom's publications, including *The Source*, and on the M'kor Shalom website (www.mkorshalom.org) to document the events and the activities of the students.

We are sending this parental consent form to request permission for your child's photo/image.

Please select one of the following:

- I/We give permission** for a photo/image of my child to be included in **ALL** M'kor Shalom publications, and website (www.mkorshalom.org). *The Source* is posted on the M'kor Shalom website. ***Under no circumstances will any student names be associated with photos on the M'kor Shalom website without parental permission.***
- I/We do not give permission** for a photo/image of my child to be used in any way. I do not wish my child's image to be included in any M'kor Shalom publications, website or outside media.
- Please contact me so that I can discuss special needs or questions that I may have with the above choices.
